Homework for VSA Participants

For those participants that have provided maps/narratives only, please come prepared to discuss the following questions:

Homework Question #1: Please list, succinctly, what you consider to be the three most urgent issues/reasons that change is required. Please evaluate your own experiences/case studies, and digest them to the core issues.

Homework Question #2: Please estimate the amount of time your entire process flowchart takes to get from start to finish.

Homework Question #3: What is your ideal Future State? In other words, if you could make any changes you want/develop whatever process you wanted, what would it look like?

Please note: Please bring your own lunch/beverage.
